- HU** - A teljes használati útmutató letöltéséhez látogasson el a www.campagnola.it oldalra, vagy olvassa be a QR kódot. A jelen gyors útmutató nem helyettesítheti a termékhez mellékelst használati útmutatót, amelyet minden esetben kötelező figyelmesen elolvasni és tanulmányozni.

AR - ضوئيًا QR رمز امسح أو www.campagnola.it إلى انتقل ، الكامل التعليمات دليل لتنزيل لا يستبدل هذا الدليل السريع دليل المنتج الذي يجب على أي حال قراءته وفهمه بالكامل.

CAMPAGNOLA

INSTALLAZIONE E AVVIAMENTO INSTALLATION AND START-UP

1

Inserire i rebbi sul supporto assicurandosi che i denti di bloccaggio siano fuoriusciti dal supporto stesso.

Insert the tool teeth into their holder. Check that the locking protrusions have come out of the holder.

2

Collegare i connettori ed inserire asta nell'impugnatura fino a battuta.

Plug the connectors and insert the pole into the handle until it stops.

3

Stringere le viti.

Tighten the screws.

4

Collegare i connettori ed inserire parzialmente l'asta nella testa di raccolta, facendo attenzione alla posizione dell'anti-rotazione.

Plug the connectors and partially insert the pole into harvesting head, paying attention to the position of the anti-rotation edge.

CAMPAGNOLA

5

Sbloccare la leva del morsetto. Estrarre l'asta di almeno 15 cm e portarla a battuta nella sede della testa.

Unlock the clamp lever. Extract the pole by at least 15 cm and bring it to rest in the head seat.

6

Stringere le viti.

Tighten the screws.
